Workflow Steps

The Council of Higher Education notifies our University of the lists of students who have been placed in Suleyman Demirel University by The Council of Higher Education and/or Government Scholar of their own country

The units of Suleyman Demirel University are notified for enrollment of students who have been placed as Government Scholars (Afghanistan, Yemen, etc.)

The units examine the application documents of the candidates and register the eligible ones to Student Information System

Written notification of the transcripts and information showing the status of the students are prepared and presented to Consulates of the countries

As a result of the examination made by consulates of the relevant countries, the list of students whose scholarships have been terminated are notified to the units and the fees of the eligible students are paid to our University

Students whose tuition fees are paid processed to Student Information System (obs.sdu.edu.tr)
